

Making Opportunity Count Nutrition Services Group Dining Cafe Sites

MOC Nutrition Services supports 20 communities via Home Delivered Meals as well as 13 congregate sites. A resident of any town is welcome to dine at any of the Council on Aging congregate site. Housing Authority Sites are open to only residents and their guests so Fitchburg, Gardner and Leominster Housing Authority congregate sites would not be included in this list. The Housing Authorities require ASNCM to be the contact point for these sites.

The service area contact list includes the following senior centers:
